ORDERING GUIDELINES

2013 SEED ORDERS

Seed orders are filled year round. If a variety you have ordered is sold out (and you have requested no substitution), we will send what is available from your order now and put the remainder of your order in our backorder file. Your backordered seeds will be sent out just as soon as they are available. You may place your seed order for 2012 at any time.

All of our seeds are Certified Organic and are either Heirloom or Open-pollinated. That is all we carry!

Planting guides are sent with each order! Please see our website for photos of our seed varieties.

Safe Seed Pledge: We will never offer any genetically engineered varieties. We have a firm commitment to traditional plant breeding techniques and are adamantly opposed to moving genes from one species to another through biotechnology. Please see this pledge in its entirety on our website.

All regular seed packets are \$1.50 each, and sample packets are .35 each. We have found that creating a more affordable seed packet will help many people. Also, by making sample packets available you can easily try out more different varieties!

All seed is germination tested to ensure that it meets Federal Standards. If any should fail to germinate please let us know and we will be happy to replace it. We cannot guarantee the germination of seeds purchased one year and not planted until the next year (or later). Seeds must be stored under the proper conditions to remain viable past the purchase year. (FYI: Most seeds are good for many years if stored properly.) Under no circumstance can we be held liable for more than the purchase price of the seeds.

Shipping Details

Order by mail, fax, or website

All orders from USA and Canada should be sent to us with payment in **U.S. DOLLARS ONLY**.

New Mexico Sales Tax (gross receipts tax): Only New Mexico residents must include a 7.125% sales tax.

Shipping: Orders are filled in the order received in our office. Payment must be enclosed with your order. Orders are shipped via US Post Office two to three days after they are received.
